Notes: -

>The above information points to foods that contain allergens. However, in our kitchens our teams are regularly handling multiple food ingredients, which may and can contain allergens so we can't guarantee any items that are allergen free

> Allergen Advice: If you need allergen information of any products not listed in the table above, please ask a member of staff.

> All allergens are highlighted above in bold. For cereals containing glutes, the source of the gluten is in bold

"> KFC (UK&I) is committed to provide allergen information in store for all of its products of the 14 mandatory allergens

(Cereals containing gluten, crustaceans, eggs, fish, peanuts, soya beans, milk, nuts, celery, mustard, sesame seeds, sulphur dioxide & sulphites, Lupin & Mollusc) Allergens that are contained in the products listed are displayed in the table above "

> Data above is derived by analysis and are averages of composite food samples. Products may be subject to some variation depending on ingredients used, supplier & seasons of the year. Therefore, products described above may not be identical to the product served in a participating restaurant.

> All Calorie (kcal) and kJ information above are rounded to the nearest 5.

> All nutritional data is per serving, the number of portions of fries included indicates the number of servings in that item

KFC UK&I NUTRITION & ALLERGENS

- > KFC (UK&I) GM Statement: Our research shows that UK customers don't want genetically modified foods in KFC products; so naturally we have ensured none of our products contain genetically modified ingredients.
- > All information given is correct as of April 2020, and subject to change without notice.
- > Our fries and hash browns are cooked in the same vegetable oil as our popcorn chicken so are not suitable for vegetarians
- > The table above also shows which menu items are suitable for vegetarians and vegans. These are made using vegetarian and vegan ingredients. However, our preparation and cooking methods could mean they may come into contact with non-vegetarian and non-vegan ingredients

Symbol Explanations:
